DO'AH Multi-instrumental wonders Do'ah, whose fifth album, "World Dance," is in the top 10 on most new-age charts, make a stop at St. James Club starting at 8 p.m. **tonight** with their versatile techno-ancient sound for \$6. (Hint: It's going to cost you a lot more to see them later this week at the Great American Music Hall in S.F., so go early tonight and put a little less exhaust into the air.)
